Loving Earth Recipes

even a small amount of xylitol can result in a dangerous blood sugar crash in canines, and larger amounts can lead to liver failure.

Kane says a loophole in the patent legislation allows for "evergreening" and it’s costing governments and consumers plenty.

We don’t want people to submit to a treatment industry that makes more dollars.

Seems to be shorter than that of Maeng Da, but the alkaloids feel more like those that might relieve
